

Shower Enclosures

OPTIMA

OPTIMA 1 (500-999) NG.MT/GR1 SG
100293635

Series of screens with a minimalist design that reaches from floor to ceiling. With 8 mm or 10 mm thickness tempered safety glass, with easy to clean treatment (System-Glass) applied to it. Different finishes in profiles (gloss and black) and in glass (transparent, matt, grey, mirror, bronze or with customised serigraphy to suit the client), Shower screen with a great versatility to cover any type of space thanks to its different models (fixed, doors, paraband or fixed+door) and a maximum height of 2500 mm. Being a framed screen, it provides great resistance and robustness to the assembly.
