

# FISA TEHNICA BARLINEK

Model: Oak Salt Herringbone

Cod produs: BLC-DBE1-OX4-B2R-A14130-F

Colectie: Herringbone Foundation – Pure Woods

| CARACTERISTICA                       | DETALII                                                                                                  |
|--------------------------------------|----------------------------------------------------------------------------------------------------------|
| Specie lemn                          | Stejar (Oak), strat superior natural, intermediar si inferior din pin                                    |
| Finisaj                              | Ulei natural oxidativ, periat, white stained, micro-bevel 4 laturi                                       |
| Dimensiuni                           | 14 mm grosime x 130 mm latime x 725 mm lungime                                                           |
| Strat superior lemn                  | 2.5 mm; rest structura 11.5 mm                                                                           |
| Tolerante dimensionale               | Lungime $\pm 0.1\%$ ; Latime $\pm 0.2\%$ ; Fuga $\leq 0.2$ mm                                            |
| Sistem montaj                        | Optilock Click cu insert transversal HDF                                                                 |
| Compatibilitate incalzire pardoseala | Da, electric si apa                                                                                      |
| Umiditate lemn                       | $\sim 7\% \pm 2\%$                                                                                       |
| Clasificare strat superior           | EN 13489: Free Class / Barlinek: Family Class                                                            |
| Duritate Brinell (EN 1534)           | $\sim 37$ MPa                                                                                            |
| Ambalare                             | 7 placi x 725 mm / pachet $\approx 0.65$ m <sup>2</sup> ; 64 pachete/palet $\approx 41.6$ m <sup>2</sup> |
| Garantie                             | 30 ani rezidential, 5 ani comercial                                                                      |
