

Washbasins and Worktops

UNIQUE

UNIQUE B604 1100 ON TOP 40X40X13CM
100158504

The UNIQUE series encompasses a wide variety of washbasins, shower trays and bathtubs for use in combination with KRION™ sheets. By matching KRION™ sheets with products from the UNIQUE collection in multiple different ways, an endless variety of designs can be achieved, taking advantage of differing KRION™ processing techniques and the available choice of colours. Customized design solutions can be created to suit settings of all kinds, conceived to meet the required functional, dimensional and aesthetic specifications. An exclusive collection with broad design potential, perfect for creating one-of-a-kind settings for customers.

Description

Semi-finished square countertop washbasin, 400 x 400mm and 130mm interior depth. Produced by mould by Krion® casting. Does not have overflow. Drain valve not included.
