

Washbasins and Worktops

UNIQUE

UNIQUE B812 1100 ON TOP 52X38X24CM
100158507

The UNIQUE series encompasses a wide variety of washbasins, shower trays and bathtubs for use in combination with KRION™ sheets. By matching KRION™ sheets with products from the UNIQUE collection in multiple different ways, an endless variety of designs can be achieved, taking advantage of differing KRION™ processing techniques and the available choice of colours. Customized design solutions can be created to suit settings of all kinds, conceived to meet the required functional, dimensional and aesthetic specifications. An exclusive collection with broad design potential, perfect for creating one-of-a-kind settings for customers.

Description

Semi-finished oval countertop washbasin, 526 x 386mm y 240mm interior depth. Produced by mould by Krion® casting. Does not have overflow. Drain valve not included.
