FEATURES

Material with few knots on its surface that can have different sizes depending on the type of wood. These, along with any cracks that may appear, are covered with putty.

Applying a color oil or varnish on the wood surface in order to get different color ranges.

AM L'ANTIC COLONIAL´s varnishing, in two finishes, APRESTO (gloss) and APRESTO MATE (matte), provides a unique surface quality that satisfies the most demanding requirements. Advantages: It achieves the highest cleanliness because, since the pores are sealed, dirt and dust remain on the surface and can be easily cleaned.

There are consistent color changes between pieces.

The adhesive must be applied on the support to be decorated (gluing the wall)

PINE Made with pine wood
